

HOMWORK CONSENT FORM

The transition teachers like to send home a very short homework page every Friday. It contains simple readiness activities that you can do with your child (see sample on back). The children LOVE to do homework like the big kids!

Although this worksheet is not mandatory, we encourage you to make this a part of your weekend time with your child. When your child returns the paper on Tuesday, he/she will get a fun sticker for reinforcement.

Please check and sign below if you are willing to complete this fun task with your child.

Thanks!
